Work Certificate

Employment of Students

The Superintendent of Schools will make provision for the issuance of work permits to students between the ages of fourteen (14) and sixteen (16). In addition, principals/designees and District employees holding a student service certificate and, who is authorized by the Superintendent, may issue work certificates to students who are attending their schools. Employees with authority to issue certificates may not issue a certificate to their own child.

Principals issuing work certificates will provide self-certification that the principal understands the legal requirements for issuing work certificates. The principal issuing a work certificate will submit a copy of each certificate and the certificate application to the Superintendent. The Superintendent may revoke a certificate issued by a principal if the Superintendent becomes aware of any grounds upon which the student may be ineligible for a work certificate.
