Curriculum for At-Risk Students

The Board of Education directs that curriculum be developed to meet the needs of students at risk of failure. This curriculum is to include strategies infused in all areas of regular education, K - 12, to address the special needs of students at-risk due to disadvantaged backgrounds.

As provided by state and federal guidelines and funds, the Board directs the administration to utilize funds from ESEA, Title I and state programs for alternative education, among others, as resources for curriculum development for students at-risk.
